

Mount Zion Family,

I can't believe we are about to enter 2025! As we continue our journey together, I pray that we feel a sense of urgency to strengthen what we do in our church through connection points and experiences, build upon our partnerships, and strive to reach our community.

It's vital that we align our financial resources with our mission to **"Connect People to God's Story."** Our church has always been a beacon of hope, and with your support, we can expand our outreach efforts and deepen our impact locally and globally.

We need your continued generosity and commitment to serve to bring these initiatives to life. The urgency of our mission cannot be overstated. Our community faces numerous challenges, and it is our calling to step in with compassion and support.

Your contributions, no matter the size, are crucial in making our vision a reality. Together, we can provide resources, support, and hope to those in need.

I encourage you to reflect on your role as you contribute financially and volunteer your time. Your support enables us to fulfill our mission and reminds us that we are all part of something greater than ourselves.

Thank you for your unwavering dedication to Mount Zion and its mission. I am excited about what God has in store for us as we work together to make a lasting difference in our community.

In His Service and with Great Expectation,

Jody Shelton

Lead Pastor
